

HOME-SCHOOL COOPERATION

1st September 2023

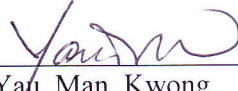

Dear Parents / Guardians,

Apart from academic excellence, our school also strives to help students develop good character and discipline. We are writing to invite you to read the Student/Parent Handbook, which provides guidelines and school regulations for our students to follow, together with your child to better understand the requirements of the College.

Besides the Student/Parent Handbook, there is also the Home-School Booklet, which is for the written communication between the school and parents. We would like you to sign in the space provided in it and the space(s) in the reply slip below so that we can refer to them to verify the parents' signature(s) in all future correspondence. During the school year, please check the booklet every day for messages about your child and please also write in the booklet if you want to inform the school or teachers about anything concerning your child. The College will also disseminate important information via school webpage, mobile phone communication application or in the form of parent letters. Your attention is highly appreciated.

We do hope that the school and parents can cooperate closely and communicate frequently to help students grow healthily and learn effectively.

Yours faithfully,

Yau Man Kwong
Principal
